FINISHES, SEALERS & BUFFERS

*Black Knight*

ITEM# 19536 (6 gal), 19537 (55 gal)

# Black Knight™

THE MOST DURABLE BLACK FINISH & SEALER COMBINATION

Black Knight will revive aged and run down floors back to their original luster. Black Knight was developed with a 25% solid content to provide the longest lasting black finish. Black Knight is durable due to its metal interlock and thermoplastic floor finish technology.
