# Black Top™

**BLACK FLOOR SEALER & FINISH WITH 18% SOLIDS**

Specifically formulated for USPS black asphalt plank floors. Black Top was developed exclusively for Asphalt Plank Tile floors to restore original black luster. Just mop onto the cleaned area to be finished and watch the amazing results.

## FEATURES

*Turns an old, worn asphalt plank floor back into a deep black floor again.*

*Dries in 10 minutes allowing more time to apply your finish. For best results, apply 2 coats of Black Top and 3 coats of Duro Shine to the surface. You'll be amazed at the beauty brought forth by your efforts.*

*Low odor formula allows you to apply Black Top during normal working hours without worrying about odor complaints from co-workers or customers.*

*Follow Federal's Floor Finish System and refinish your floors every 6 months with just one coat of Black Top and 2 coats of Duro Shine. Your floors will look great.*
