Double-Duro™

HIGH SOLID DURABLE FLOOR FINISH & SEALER WITH 25% SOLIDS

Double wearing floor finish in one coat. Double-Duro has been specially formulated to give you the finest floors with the least amount of effort for the longest time. Double-Duro's remarkable formulation means that you only put down one or two coats – saving you time, labor and material! One coat is equal to two+ coats of ordinary finishes and lasts twice as long. Double-Duro is buffable to a brilliant diamond clean deep luster as easily as less durable finishes.
