DURO-GREEN LINE  
*Duro-Green  
Hard Surface Cleaner*

# Hard Surface Cleaner™

## BIODEGRADABLE HARD SURFACE CLEANER

Duro-Green Hard Surface Cleaner can be used on any water washable surface, eliminating the need for several products. It's concentrated for economy, yet effective in the hardest water conditions without leaving a film - even in cold temperatures. Apply with a mop, spray bottle, pressure washer or automatic scrubber. You get the clean you need... with a clear conscience about the environment.

- Contains biodegradable ingredients
- No Phosphates
- No Carcinogens, Mutagens, Teratogens or Reproductive Toxins
- No SARA 313 reportable ingredients
- No ozone-depleting compounds
- No persistent bioaccumulative or toxic chemicals
- No VOC's (Volatile Organic Compounds)

### Go Green All the Way

Use with Duro-Green Floor Stripper and Duro-Green Floor Finish for a complete, environmentally responsible line of floor care products.
