Duro Buff™

FLOOR FINISH REVITALIZER

Don't refinish – revitalize! Duro Buff is designed to extend the life of your floor. Through regular maintenance, Duro Buff will save you time, labor, and cost by extending the time between stripping and refinishing. Use in a regular maintenance program for maximum shine without build-up. Duro Buff can be used as a spray buff or as a mop-on restorer.

FEATURES

Highly concentrated cleaner & revitalizer that restores floors without trapping in dirt

Leaves a transparent thermal re-active film that produces a deep wet look gloss at any buffing speed

For use on polymer based floor finishes

Fills in scratches and scuffs

Extremely cost effective – one quart covers up to 7,500 sq. ft.

Resists scuffs from heels, gurneys and rolling stock
