Hercules™

CHEMICAL ACTION CONCRETE PATCH

All-weather concrete patch for quick and permanent repairs. This super fast drying concrete patch is stronger than concrete and forms a permanent bond to ordinary concrete surfaces. Once applied, Hercules sets up in 15 minutes and can be open to traffic in 45 minutes. Perfect for repairs on chuckholes, divots and cracks on ramps, walkways, floors and more.

FEATURES

- Designed for peak traffic areas*
- Doesn't shrink once cured, making it a one-time application*
- Can be used in below freezing temperatures*
- Higher compressive strength than concrete*
- More flexural strength than concrete*

USES

- Driveways
- Ramps
- Floors
- Walls
- Stairs
- Truck Docks
- Road Maintenance
- Sidewalks

PROPERTIES

- Color: **Black**
- Fragrance: **Petroleum**
