DIRT & WAX STRIPPERS

*The Enforcer*

ITEM# 22436 (6 gal)

# The Enforcer™

## CHEMOSCOPIC FLOOR STRIPPER

Designed to remove multiple layers of floor finish in one easy application. The Enforcer is a revolutionary hard surface stripper that lifts away all types of floor finishes in one easy process. The Enforcer breaks the bond between the old floor finish and the surface to which it was applied. The Enforcer will remove multiple layers of finish in one application which saves time and labor.

## FEATURES

*Chemoscopic action lifts finish from floor without breaking it up for easy removal without machinery*

*Low foaming action, The Enforcer can be applied with an automatic scrubber*

*Removes multiple layers of floor finish in one application*

*Requires only 5-10 minutes setting time before agitation*

*Contains no ammonia*

*Odor free*

## USES

Asbestos Tile  
Asphalt Plank  
Slate  
Ceramic Tile  
Terrazzo
